Description

Boohoo the unhappy hippo was always in trouble. He had the kind of face which frightened even him when he saw it in a mirror, while the rest of him wasn't very much more beautiful! On top of all this, he suffered from hay-fever, and an Awful Desire to Do Good! Mind you, he was an expert at cracking coconuts, if that is, you like licking your coconut milk up off the ground!

Hippo and his friends were lucky to have Jungle Doctor to write all their adventures down for us. If you want to know how he solved his problems at last, then start at page one and read on!

About the Author Paul White was an Australian missionary doctor in Africa who learned to clothe his Bible teaching in fables, creating stories with a timeless quality. When he returned home to Australia his stories were discovered and published to world-wide acclaim.
