Description

The concordance to the 1978 edn. of the Spiritual Songs Hymn Book. Have you ever had in your mind a phrase or even a word of a hymn, which might exactly suit the occasion, but were at a loss to locate the hymn? This book will certainly prove an invaluable aid in searching. Its use in devotional study of the wealth of the inheritance in this hymnbook will also bring much profit and better acquaintance with the anthology. Besides being used at home and in the study, it will probably be useful to have a copy on hand wherever the hymnbooks are used
