A Landmark Text in the Field of Bible Prophecy

This remarkable book by Dr. J. Dwight Pentecost draws together the entire field of prophecy into a unified whole, a systematic and complete eschatology.

"Dr. Pentecost has with rare skill dealt with many controversial issues, has met and solved many prophetic problems, and has condensed a mass of material often not contained in even larger prophetic libraries The work as a whole merits classification as a standard and comprehensive text in biblical eschatology and should serve our generation for many years to come."
