Product Description

Written to give "the average Christian reader a basic knowledge of what the Holy Bible is all about," the Believer's Bible Commentary is a one-volume commentary on the entire Bible based on the New King James Version (NKJV). Author William MacDonald has compiled an insightful and applicable commentary, with introductions, notes, and bibliographies for each book of the Bible. This commentary is both a verse-by-verse exposition (in the New Testament, Psalms, Proverbs, and Ecclesiastes) and a paragraph-by-paragraph exposition (all other Old Testament books). Passages in the Old Testament which point toward Christ are given special attention.

Overview of the Believer's Bible Commentary:

- Theologically conservative (Evangelical)
- Based on the New King James Version (NKJV)
- A combination of verse-by-verse and paragraph-by-paragraph exposition
- Numerous charts, maps, and illustrations
- Non-technical (no knowledge of Hebrew, Greek or Aramaic necessary)
- Geared toward the average Christian, but helpful to pastors and students as well
- Thorough and comprehensive, yet accessible

2462 Pages - Hardcover - Author: W. MacDonald
