Description

The various subjects brought up in this anthology are like loose ears of grain, gleaned here and there from among the sheaves that were tied together by the inspired writers as complete Bible books. Yet, these meditations gleaned from various places in the Word of God can be valuable for any 'hungry reader', for all these Bible characters are important for our Christian life. So I trust the Lord of the harvest will use these short Bible studies to bless the reader.

Contents

1. Preface
2. Enosh, the son of Seth, and his worship
3. Adam and the serious consequence of the Fall
4. Abraham and Isaac in the Mount of the Lord
5. Moses' calling
