### Description

This book covers many practical issues connected with handling money: saving, giving, budgeting... It also examines the issue of tithing and applies the teaching of the parables of the Lord Jesus that mention money and possessions. There is also a section about giving to the Lord and supporting His people as they serve Him. We do well to consider these matters seriously in the Light of Scripture if we truly want to please God.  
94 Pages - Softcover - Author: Hansruedi Graf
