Description

Excerpt from the book:

Some of us have seen a man make a table. Of course he must have the wood. Wood may be bought from a lumber company, and then cut into shape and put together to make a table. But the man could never make the wood itself. []

When God first created the world, He did not use stones or water or any thing. Yet, through faith, we know that the world was created by the Word of God, (Heb. 11:3) and the heavens too. (Psa. 33:6). None but God could do this. []
