## Description

In Section One of this book the religious system that existed before the coming of Christ is contrasted with the new order after the ascension of Christ, that is the Church which is His body. We also learn what it means to "go forth therefore unto Him without the camp, bearing His reproach."

Section Two deals with the conditions prevailing in Christianity during the last days prior to the Lord's coming for the Church.

In Section Three we see Christ glorified in His Church, firstly in the marriage of the Lamb and secondly in the New Jerusalem.

This book will help you to see your responsibilities as a member of the true Church - the body of Christ - and what should be your response to Christ.
