### Description

With rationalism and infidelity on the increase, we find natural affections blighted and undermined and a sense of reverence for all divine institutions being lost. Amid the moral darkness, a well-ordered Christian household can be a bright testimony for God.

Being a series of lectures on Ephesians 5:21 – 6:9, von Poseck brings the light of God's Word to bear on the earthly family relationships of the Christian as reflecting those that are heavenly.

375 pages – Softcover - Author: J. A. von Poseck
