Description

The church needs teaching in the Scriptures and about what the Scriptures really mean in daily living. This book is timely for the correction of error and a leading into truth for Christian living.

As the author has pointed out, we need faith through which to be saved and by which to live day by day. A prayerful use of this book as a help in our study of the Scriptures should go a long way toward helping Christians “grow in grace and knowledge of our Lord and Saviour Jesus Christ.”
