Description

This little booklet emphasizes the importance of the truth of the one new man in Christ, and the practical consequences flowing from a Biblical understanding of this doctrine.

There are surprisingly few books written on this subject despite the fact that the "new man" is given a place of prominence by the Holy Spirit in the letters written by Paul the apostle.

Written in a clear and simple style, this booklet is a sound Scriptural presentation of what the "new man in Christ" actually means, and its importance to believers.

In the words of author, H. J. Vine, "May God graciously use it for profit and help."
