Description

The well-loved classic, Amazing Grace, has stirred the hearts of millions. From military tattoos to rescue missions, these words of an eighteenth century slave trader, redeemed by that grace, have a message for our day.

But what is so amazing about that grace? Well-known author William MacDonald, in his lucid style, takes us on a thrilling expedition to discover the breathtaking heights and soul-stirring depths of God's amazing grace.

William MacDonald has, for more than fifty years, addressed the key issues of Christianity in clear and simple terms. Leaving a promising business career for the Lord Jesus, he has traveled worldwide, proclaiming the unsearchable riches of Christ. His more than eighty works are characterized by a clarity and economy of words that only comes by a major time investment in the Word of God.

Mr. MacDonald presently resides in California where he is involved in a writing and preaching ministry.
