Description

The spiritual food herein resembles that of the land of Canaan (or that of a good smorgasbord): abundant, varied and nourishing. Further, the "bite-sized portions" make it especially attractive to those who want a source of brief, but potent spiritual refreshment in the midst of a busy schedule. On the other hand, those who have time for a feast will find no lack of depth.

Some of the article headings:

Samson's Riddle

The Sinner and the Saviour

Convicted, Yet Confiding

The Kinsman

Rich in God

The Two Debtors

The Journey to Samaria.
