Description

"To be admitted, as it were, to the inner temple of the Saviour's heart, is surely the greatest privilege and blessing we can now enjoy." The "mighty theme" of this poetic book unveils the love of Christ for His own.

In these meditations, Andre Miller engages the heart with the Lord Jesus in a most personal way. May the reader find it a spring of refreshment for the soul.

286 pages - Softcover - Author: A. Miller
