Description

THE PROPHETS God's Messengers is a concise, scriptural look at the prophets of the Bible, both in the New and Old Testaments. The author first looks at the less well-known prophets who had not actually any prophecies as such, some of these prophets are only mentioned briefly in the Bible. Then he takes up the more prominent prophets, who have written whole books in the Bible, and recorded extensive prophecies.

246 Pages - Softcover - Author: E. P. Vedder, JR.
