### Description

"We are united to Christ and are responsible to act as members of His body, diligent in keeping the unity of the Spirit and none other in this world. This is a divine obligation superior to any changes in the church's state here below. It is not a question of numbers, but a duty always binding, even though there were only two or three who saw the truth."

24 pages – Softcover - Author: W. R. Dronsfield
