Description

This book shows that the coming again of the Lord Jesus Christ will be in two stages—the coming FOR His saints and WITH them, namely, the RAPTURE and the APPEARING.

These two distinct aspects are not often appreciated or understood by Christians. In fact, there is a tendency lately even to denigrate any teaching about the Rapture of believers.

J. T. Mawson clearly, succinctly, and, Biblically, unfolds these truths in a non-technical way, as well as other practical and doctrinal aspects of the Second Coming of Christ. The last chapter has a helpful chronological outline of the events that transpire between the RAPTURE and the ETERNAL STATE.

We highly recommend this little book for new Christians, young people, or just older ones that would like to look at the subject again in a fresh way.
