Description

The highest occupation of the human mind, the sweetest ministry of the human heart, is the worship of God and the remembrance of his Son. It is the only passion to which we may give ourselves without reserve, with no fear of being corrupted by it. We will never be reprimanded by Heaven for exaggerating the Saviour's worth!

But what is worship? And what is it we are to remember about Him? This volume is filled with "sweet incense" to offer up to the Lord. The Scriptures are full of Christ, and this book is full of the Scriptures.
