Description

A friend of my father dreamed he met the prophet Zechariah in heaven, who asked him how he liked his little book. The friend, like many of us, had to admit he knew virtually nothing about that portion of Scripture. As a result of that dream, Zechariah became one of his favorite books! And it truly is a remarkable book with many practical examples for our Christian lives.

It also contains some of the most dramatic prophecies anywhere in Scripture. Consider these quotes from the 14th chapter: "I will gather all nations to battle against Jerusalem .Then the Lord will go forth and fight and His feet shall stand on the Mount of Olives .Their flesh shall dissolve while they stand on their feet and the Lord shall be King over all the earth."

Leslie M. Grant, a contemporary writer of a number of biblical commentaries, has ministered the Word of God for many years throughout North America. In this 100 page book, brother Grant masterfully helps the prayerful reader to grasp both the interpretation and application of Zechariah, making it very practical to our everyday living. After carefully reading it, we won't need to be ashamed when we meet brother Zechariah in heaven.
